Bermuda Park Nursery

The aim of Bermuda Park Nursery is to learn through play. To allow the youngest children to follow their imagination as they navigate their way into the world. Young children's imaginations are endless and we want to share their early years experience, providing a safe, stimulating environment designed to allow the children to be the very best they can be, giving the children the broad range of knowledge and skills that provide the right foundation for good future progress through school and life.

The daily discoveries your children make with us are precious and we are privileged to be part of their journey.

“Imagination is more important than knowledge. For knowledge is limited to all we now know and understand, while imagination embraces the entire world.”

Albert Einstein

Amanda Brocklehurst
Bermuda Park Nursery Manager

Welcome

Bermuda Park Nursery is a purpose built Nursery situated on the Bermuda Park industrial estate just off the A444, providing an excellent link to Nuneaton, Bedworth, Coventry and Birmingham.

The Nursery is owned and operated by the Nuneaton and Bedworth Leisure Trust which is a local registered charity.

We are registered with Ofsted and will be inspected regularly with the aim of achieving outstanding recognition for our quality of care.

Our registration is for 87 children.

We are open 51 weeks a year, from 7.30am – 6pm Monday – Friday, closing for one week between Christmas and New Year and all public/bank holidays.

The Team

The setting is led by Amanda Brocklehurst. Amanda has 14 years' experience working within nurseries. Amanda started as a nursery nurse and has worked her way to becoming a Nursery Manager.

The nursery manager is not included in the room staffing, her role is to support the staff and children, ensuring the nursery continues to offer the highest quality of service. Supporting any new working initiatives, as well as being able to review the effectiveness of the Nursery is a key part of Amanda's role.

Our nursery staff have a wealth of knowledge and experience between them, from key worker to deputy our entire team are focused on maintaining the best possible environment for the children's development. On occasions we may have students from the local college who will work alongside the staff as they gain their qualifications. Students are not counted in the room staffing but we welcome the opportunity to develop and influence future childcare providers.

All staff have the relevant enhanced DBS checks to ensure they are suitable to work with your children and have been selected because of their skills, experience and attitude towards care.

The Nursery

Our nursery has been designed to the highest standard and is split in to 4 rooms, we have the younger, non mobile baby room, the older baby room, the tweenie room and the pre school room.

The 4 rooms have all been specifically designed and furnished to meet the unique stages of development for the children.

Each room is decorated in neutral shades to create a calming relaxed environment. They are furnished with a wide range of quality toys as well as man made, natural and open ended resources designed to stimulate your child's imagination, and play.

Babies and young children need familiarity in their lives and we pride ourselves on being able to provide a home from home feel to our Nursery. We have comfy areas and soft furnishings to enable the children to get away from the hustle of a nursery if they choose. Each room has access to a self contained outdoor learning environment area which again is designed to meet the unique stages of development of your children. We aim to allow all children the opportunity to experience the outdoor environment on a daily basis unless we have adverse weather conditions

The Nursery also has access to the Bermuda Adventure Soft Play World and we will take the children in small groups to use the facilities on a regular basis.

Your child will also have the opportunity to explore a range of messy activities whilst at Nursery, from jumping in puddles in the rain, cooking in the outdoor mud kitchen to general arts and craft activities. We do provide aprons to protect your child's clothes but sometimes this just isn't enough so please bare this in mind when choosing your child's nursery outfit.

Nursery uniform will be available.

Early Education Funding

Early Education funding is available for all children the term after their third birthday. The free entitlement is for 570 hours per year, over a minimum of 38 weeks and can be taken flexibly. A maximum of 9 hours can be claimed in any one day. The Nursery also accepts 30 hour funding for qualifying children the term after their third birthday as well as two year funding for qualifying children the term after their second birthday. See the links below for more information:

www.childcarechoices.gov.uk

www.warwickshire.gov.uk/childcarecosts

Childcare Vouchers

We accept childcare vouchers which can mean a saving of up to £933 per year towards the cost of your childcare via reduced Tax and National Insurance Contributions. Please speak to the manager for more information.

Parents/carers Partnership

We believe that in order for your children to receive the best quality care and early learning, parents/carers and staff need to work together in a close partnership. The two-way sharing of information is key to this. We value and welcome your input and suggestions, and welcome any parent who wishes to volunteer either on a regular or one off basis. We operate an open door policy so please feel free to drop in.

Meals and Snacks

Your child will be provided with a healthy balanced diet whilst at Nursery, our meals are freshly prepared daily by our chef using a range of quality ingredients that provide the essential nutrients that children need to grow and develop. Our menus run over a 17 day period to ensure the children experience a variety of foods. Healthy snacks are also provided twice a day.

Learning and Development

We follow The Early Years Foundation Stage curriculum which bases play at its heart and builds upon the firm foundations needed for a child to become a confident and competent learner. All children develop at their own pace, our staff are here to help guide, support and offer challenges to stimulate your child and take their learning to the next level. Please see the Parents Guide to the Early Years Foundation Stage for more information.

The key Person

You and your child will be allocated a 'key person'. The role of the key person is to be the main point of care for both you and your child whilst at Nursery. Your key person will help your child in all aspects of their nursery experience from helping your child familiarise themselves with nursery life to feeling safe and secure. Your child's key person will work with you to ensure your child's individual needs are met and will share your child's learning journals with you on a regular basis.
